Draft conveying sanction to the Chief Engineer's proposals is put up for favour of appl or other orders.

HM-77 ~~Clerks~~ 25 Rs a fairly good sum 18/4/12 to be paid to a clock winder-

He has been getting the sum for looking after 78 clocks. I think in consideration of the fact that he has been regularly employed on 25 Rs p.m he may be asked to look after the other 2 clocks & ~~three~~ pieces of furniture without claiming any extra remuneration. If this is approved then a further 25 Rs will be debited to this office also.
